Target Role: ALL | Version: Official | Published: 2026-09-25

1. General Expense Principles

Employees must exercise prudent judgment when incurring business expenses on behalf of Nexora. All expenses must be legitimate, reasonable, and substantiated.

2. Receipt Requirements & Thresholds

Itemized receipts are required for all business expenses exceeding \$25 USD. Receipts must be submitted via Expensify within 30 days of the transaction date. Undocumented expenses over \$25 will not be reimbursed.

3. Travel & Meals Per Diem

The standard meal per diem allowance during business travel is \$75 USD per day (\$20 breakfast, \$25 lunch, \$30 dinner). Alcohol is non-reimbursable unless part of an authorized client entertainment dinner.

4. Flight & Accommodation Rules

Economy class is standard for flights under 6 hours. Business class is permitted for international flights over 8 continuous flight hours with VP pre-approval. Hotel nightly rates should not exceed \$250/night in standard cities or \$350/night in tier-1 metro areas.

6. Client Entertainment

Alcohol is reimbursable only as part of an authorized client entertainment dinner with documented attendees and business purpose. Team socials follow pre-approved budgets instead of per-person claims.

7. Foreign Currency

Expenses in foreign currency are reimbursed at the Expensify card rate on the transaction date. Retain original-language itemized receipts; translations are handled by Finance on request.

8. Audit Sampling

Finance audits a random sample of expense reports monthly. Repeated undocumented claims trigger mandatory retraining and temporary pre-approval requirements for the employee.
