1. Welcome to Nexora

Welcome to the Nexora team. This handbook sets forth the foundational policies, expectations, and benefits for all full-time and contractual employees.

2. Working Hours & Attendance

Core collaboration hours are 10:00 AM to 3:00 PM EST. Flexible working arrangements allow team members to complete their 40-hour work week according to their local preferences while maintaining presence during core hours.

3. Flexible Paid Time Off (PTO)

Nexora offers an Unlimited Flexible Paid Time Off policy for all full-time employees. We recommend taking a minimum of 20 PTO days annually to maintain work-life balance. Planned vacations over 3 consecutive days must be submitted via Workday at least 2 weeks in advance.

4. Professional Development & Learning Stipend

Every full-time employee receives an annual \$1,500 USD Professional Development Stipend for conferences, certifications, books, and courses. Approvals are managed through the People Ops portal.

5. Equal Opportunity and Anti-Harassment

Nexora is committed to maintaining a safe, inclusive, and harassment-free workplace. Any discriminatory behavior, harassment, or retaliation will result in immediate disciplinary action up to termination.
